

**EARLY HEAD START PROCEDURES FOR:  
DISABILITY - CHILD SCREENING AND ASSESSMENTS  
COMPONENT: CENTER FOR YOUNG LEARNERS**

- 1.0 **Scope:** **This describes the process for screening any developmental, sensory, and behavioral concerns according to the Head Start Standard 1302.33 (a) (1) (2) (3) (4) and 1302.61, 1302.63.**
- 2.0 **Responsibility:**
- 2.1 Family Service Worker
  - 2.2 EHS Teacher
  - 2.3 Grantee/Delegate Education/Disability Consultant
  - 2.4 Parent
- 3.0 **Resources:**
- 3.1 ECI
  - 3.2 EHS Brigance III
  - 3.3 Brigance Online Monitoring System Summary Sheet
  - 3.4 Child's File
  - 3.5 EHS Education Plan
  - 3.6 Disability Tracking Form
  - 3.7 Intra-agency Community Partnership Agreement with ECI
  - 3.8 **GoEngage**
- 4.0 **Procedures:**
- 4.1 **SCREENING**
    - 4.1.1 ESC and ISD Staff will give parents information on types and purposes of screenings.  
ESC and ISD Staff will obtain screening permission from parents in the child's native language at the time of registration
    - 4.1.2 Within 45 days of enrollment, ESC and/or ISD staff will complete the Brigance Developmental Screening for each child, including children with an IFSP. The Brigance results will be recorded in **the web-based data system** and the Brigance OnLine Monitoring System. During times of pandemic, emergencies, or natural disasters, teachers will request a private meeting to complete the screening when possible. In extreme cases, where screening is not possible, casenotes will be entered into the web-based data system to reflect reasons why screening was not completed. A Developmental Checklist from CLI Engage will be used and completed via telephone or digital platform with the parent when a screener is not administered. Once students return to school, screening will be completed.

**EARLY HEAD START PROCEDURES FOR:  
DISABILITY - CHILD SCREENING AND ASSESSMENTS  
COMPONENT: CENTER FOR YOUNG LEARNERS**

4.1.2.1 When a child has been dismissed from ECI or will turn three within 45 days after the initial screening and has fallen below the screener cut off score, there will be a Head Start committee meeting. The committee will consist of ESC Consultants, with input from the teacher, and the parent. The committee will determine if the child should be referred to ECI, to the SSA, or if the child should be rescreened on or before January 15. Once a decision has been made, the proper protocol will be followed for either the referral process or rescreen process.

4.1.3 EHS, Parents, and Grantee/Delegate receive screening results.

4.1.4 ESC and ISD Staff will review results from the Early Head Start Enrollment Packet, the initial home visit, the Brigance screening instrument, observations, checklists, the DECA screening instrument, and health screenings.

4.1.5 Teacher will communicate with the FSW and/or FSW/Licensing Director immediately regarding any child who falls below the cutoff on the Brigance. This will be documented in case notes.

4.1.6 After the initial screening ESC and/or ISD Staff will immediately (within 7 days) refer students to ECI, who fall below the Brigance Cut off score (with parent permission). ISD staff will complete a Student Individual Plan (SIP) and enter the referral on the online referral system.

**4.2 REFERRAL STEPS**

4.2.1 EHS Teachers and FSW/Center Director will share information and any concerns with parents regarding screening results at additional parent conferences. The EHS Parent Brochure explaining the referral process for ECI will be shared and discussed with the parents.

4.2.2 Parents sign the HS Release of Information in order for HS to share information with ECI.

**EARLY HEAD START PROCEDURES FOR:  
DISABILITY - CHILD SCREENING AND ASSESSMENTS  
COMPONENT: CENTER FOR YOUNG LEARNERS**

- 4.2.3 Parents sign permission or refusal for referral to ECI for further evaluation using the Disability Services Permission/Refusal Form.
- 4.2.4 FSW/Center Director will make the referral to ECI.
- 4.2.5 ECI will contact parents for further evaluation.
- 4.2.6 Information will be updated into the web-page data system.
- 4.3 RECORD INFORMATION ON THE DISABILITY TRACKING FORM – when ECI and parents fill out the ECI intake packet.
  - 4.3.1 Date parents signed ECI Parents Have Rights receipt
  - 4.3.2 Date referral was given to ECI
  - 4.3.3 Date of initial IFSP meeting, addendum, or yearly review.
  - 4.3.4 Date parent signed Head Start Release of Information.
    - 4.3.4.1 Send the original to ECI and put a copy in the child's file.
  - 4.3.5 Upon receiving IFSP documentation, continue recording information on Disability Tracking Form:
    - 4.3.5.1 Date of ECI Assessment
    - 4.3.5.2 ECI's Consent to Test
    - 4.3.5.3 Diagnosis and Progress Notes
    - 4.3.5.4 Did not qualify or was dismissed.
      - 4.3.5.4.1 Place dismissal from Special Service Form, signed by ECI consultant in child's file.
    - 4.3.5.5 Refusal of Service Form is placed in file if parents deny services.
- 4.4 TRANSITION FROM ECI TO SSA
  - 4.4.1 When a child reaches the age of three, he/she is dismissed from ECI on that date.
  - 4.4.2 Transition procedures are begun by ECI one-hundred and twenty days before the child's third birthday.
    - 4.4.2.1 ECI begins talking with the parents before the last meeting date about options parents may choose. (ISD, rehabs, etc.)
    - 4.4.2.2 ECI schedules meetings with parents, EHS, and parental choice of placement.
    - 4.4.2.3 Before the child's third birthday, ECI sends the paperwork to ISD or alternate choice.
    - 4.4.2.4 If the choice is the ISD, the SSA (Shared Service Arrangement) begins testing.
