

RISE AND TEACH

We Are The Future

FOUR TIPS TO GET YOU STARTED

TIP #1 ACT/SAT

Choosing education as your profession of interest on the ACT/SAT student profile can be extremely beneficial. Selecting your profession, links colleges with your area of study to you. This includes receiving information from colleges and scholarships available.

TAFE ORGANIZATIONS

TIP #2

Established in 1984, TAFE is a co-curricular, non-profit Career and Technical Student Organization (CTSO), that provides all you women and men an opportunity to explore the teaching profession.

BENEFITS OF JOINING TAFE or STARTING UP A TAFE IN YOUR SCHOOL:

- Explore the teaching professions
- Learn to become a teacher
- Develop Character, Service and Leadership Skills
- Travel and create lifelong friendships
- Opportunities for scholarship money and awards
- Explore the TAFE website to find out how to start a TAFE chapter in your school

TIP #3

CLASSES

Sign up for classes and organizations that are tied to your future career.

Careers in Education & Training/Human Services include:

- Early Childhood
- Education Counselor
- Education Administrator
- Teacher
- Social Worker

Student Organization

- Texas Association of Future Educators (TAFE)
- Family, Career, and Community Leader of America (FCCLA)

REGISTER!

TIP #4

Take part in the Rise and Teach Education Conference.
