

ESC Region 15 Planning Session Workshops for 2020-2021

K-3 Self Contained Classes			Participants will build data-driven instruction that engages students in learning. Emphasis will be on designing the lesson cycle to align with the TEKS and to help you reach your T-TESS goals. Teachers will be given time to evaluate data, review prior lesson plans, and purposefully plan their instruction for the upcoming grading period. <u>Please remember to bring all documents, materials, resources and technology that you will need.</u>
